Headline: Ask your Senators to support USDA research funding by co-sponsoring the America Grows Act

ASA, CSSA, and SSSA are pleased to [support](#) legislation reintroduced by Senators Dick Durbin (D, IL) and Jerry Moran (R, KS) that would significantly increase the federal investment in agricultural research and development.

The [America Grows Act](#) (S.1371) would authorize a five percent annual increase for the next ten years for agricultural research in the following USDA agencies:

- National Institute for Food and Agriculture (NIFA)
- Agricultural Research Service (ARS)
- Economic Research Service (ERS)
- National Agricultural Statistics Service (NASS)

The *America Grows Act* would provide critical investments in research to address production, nutrition, food security, and other major challenges across the U.S. food and agricultural sector.

Support research funding and [email your Senators today](#) asking them to show their commitment to American agricultural leadership by co-sponsoring the America Grows Act.
